St Joseph's House Renovations

Work started on Monday, 2nd July with the erection of scaffolding for the roof works. During the period of works the church gates will be locked each evening to increase security in the work site. The stained glass windows will be removed this week and the roofers should start on Wednesday. The programme of works should take 20 weeks and the contract should be completed in November.

Church's Social Teaching

"Nevertheless, he [the Good Shepherd] goes looking for that one, because every one is very important to him and that one is in the most need, is the abandoned, most discarded; and he goes to look for it."

Pope Francis, Homily at Plaza de la Revolucion,
Holguin, 21st September 2015

Society of Saint Vincent de Paul

At the Back of St John Ogilvie's Church there is the annual report from our SVDP. If you would like more information on the Saint Vincent de Paul Society, or you would like to volunteer your time or talents to helping others, please speak to any of the clergy after Mass.

St Joseph's Church Hall

The structural report has come back with the assessment that the exterior and interior walls of the hall are not tied in which means no structural engineer will take responsibility for designing a new roof for the hall. At the moment we are looking to simply replacing the flat roof without adding the extra weight of the pitched alternative.

Mission Appeal

Next weekend Fr Bernard Zulu will make an appeal in both parishes on behalf of Missio Scotland. A second collection will be taken up at all Masses.

Parish Trip To Rome

All participants are invited to a short meeting after 7.00 pm Mass on Thursday 2nd August.

500 Club

The next quarters contribution is due now. Please check that your bank mandate has been processed or please collect an envelope from the stalls at both churches. New participants always welcome.
